

What is Support Planning

Making a support plan helps you work out what is important to you and how you can use your personal budget the best way.

Our Support Planning and Brokerage Team

Support planning and brokerage can help you :

- be more independent
- have more control
- have more confidence
- choose what you want to do with your personal budget

We can help you make a support plan.

We can help you make decisions about your budget.

Our Support Planning and Brokerage Team work with lots of different agencies helping you through the support planning process and choosing the services you want.

We can support you to make decisions about your life and what you want to change.

Do you have a personal budget?

Would you like some help making your Support Plan and choosing services?

Lambeth Mencap's free Support Planning and Brokerage Service is a part time 3 year pilot project for adults with learning disabilities, including young people moving through the transition process.

The service provides support planning and brokerage to people with learning dis disabilities and their family carers.
